SLIDE

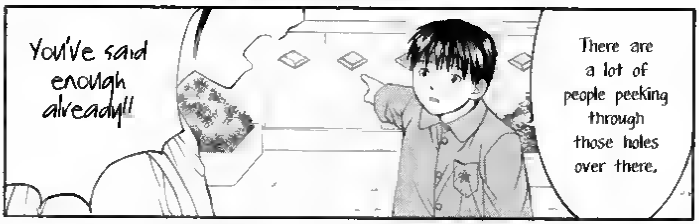
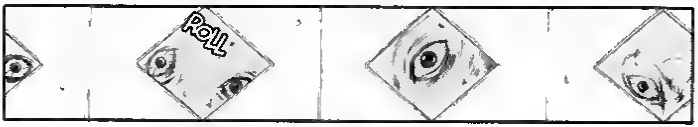
But...
What are you talking about? There are no ghosts.
SWISH
Mama! Wake up!
There are ghosts!
Mama! Help me!
There's a ghost— with lots of faces!
Save me!
!!
WAAAAA!!
Ken-shou!?

SWOOSH!
Smooth
It's alright. I've chased them away.

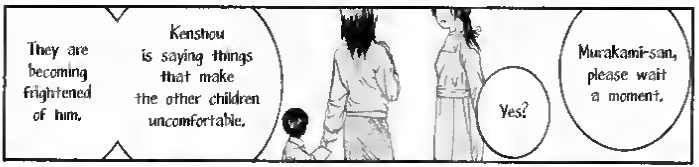
Waaa—
Waaah
What is it?
Sensei, Murakami-kun said there are ghosts.
Kenshou-kun! Please don't try to scare the other children!
But, I'm not trying to scare anyone.



There are a lot of people peeking through those holes over there.
You've said enough already!!



ROLL



Murakami-san, please wait a moment.
Yes?
Kenshou is saying things that make the other children uncomfortable.
They are becoming frightened of him.

Could you please take him in for a psycho-logical examination ...
PAT
!

Ah—
Now I remember...
I've seen that hand... The person dressed in a kimono...

A FEW DAYS AGO, I WAS SHOT.
I REALIZED THAT I WAS LYING IN A HOSPITAL BED, AND IN FRONT OF MY EYES WERE
Relatives from my mother's side of the family!
Kenshou, your room can't get any dirtier!
Mother already helped you tidy it a bit.
O geez, he really needs to get a wife soon.
I wish that guy in my house would get married soon, too!
Crowd noise
Crowd noise
Oh, then how about my great-grand-daughter?
Don't talk nonsense. She's only three years old!
Why not? Do you have someone better in mind?
Sound
It continued for 5 hours... Just like that...
Sound
Aww, he should really get married soon!
That's right. How about my great-grand-daughter?
Don't be talking nonsense! She is only three!
Crowd noise
Crowd noise
Then do you have someone better in mind?

I should get going now.
I will come and visit again this weekend.
Um?
Oh.
Mom, I want to ask you something...
When I was little, did I ever mention that I could see ghosts?
I can't quite remember it anymore.
Why are you asking so suddenly?
Yes, back then you often cried because you saw ghosts.
Rattle
You also said there was a man dressed in a white kimono who always protected you.
It was very lucky
that you weren't injured more seriously.
The bullet completely missed your vital organs and passed straight through your body.
It really seems like there was a protector.
You should be very grateful.

Back then, did I...
make you very uncomfortable?
You were my son.
Why would I have been uncomfortable?
If you said there were ghosts, then I believed there might have been ghosts.
I knew you very well. My son wasn't someone who enjoyed telling lies.
Besides, I had an idea
who the man dressed in the kimono was.
He must have been your great-grandfather, my grandfather.
He passed away at a very young age.
Apparently, he was famous for his spirit power.
He resurrected a drowned person,
saved everyone by foretelling a flood,
and was able to let people talk with the dead.

I might not be human?

Hi!
Miya-san.
Hmm.
I tried really hard to contact you by telepathy, but I got no response, so I came to look for you.
I can hear Murakami-san's voice.
What do you mean? Your response level varies from person to person?
You can't hear it when I call you?
But, you can hear Murakami through the power of love?
BLUSH
Uwaaaa!!
Are you serious?

gashan
That moronic detective got himself hospitalized;
let's go visit him.
Seriously! It's really dangerous because of you!
Here?
Put it in here!
.....
?
Am I really strange?
Doesn't even know how to use the automatic ticket checking gates...
Sigh
Eh?
THE DOORS WILL BE CLOSING SOON!
Will I be despised because I am not a normal person?

AH!
I'll wait for you at the next station!

She seemed really depressed.

I might not be human,
Maki...
I've looked everywhere, even back at her hospital...
If she didn't come here, then...

I will go back to Maki's hospital and look one more time.

Miya-chan.

You can go home now.

Why are you saying that?

I am currently investigating how this cursed wrench
can make its wielder do such things.
So so scary!
This person is terrifying!

Actually, this unit has a very long history.
Back when the Emperor was considered a god,
people with spiritual or supernatural powers were thought to be a danger to domestic peace and were eliminated by the police...
The mission of this unit has always been to seek out these people and determine if their powers are real.

But even if we know the criminal is a spirit, we can't prove it. We can never receive credit for solving these cases.
Cases which can't be solved using normal police methods are sent here.
The majority of them don't even have a suspect.

So we asked Doctor Tomochika to let us use this place.
We don't want to hang around at our new unit right now...
Maki-chan, can you help us with something? We're not getting anywhere...

Hi.
Hi.
Murakami-san, Nakabayashi-san, why are you here?

Look
This case is suicide.
This one... was done by a spirit.
A very strong spirit ate the soul of the victim.
This one, also.
This suicide was because of a failed relationship.
that's enough.
this is Kenshou's problem,
he must solve it on his own.
In addition, using spirit-sight is risky.

My heart is already prepared.
We are called "Elementaries".*
We are different from dead spirits;
we are spirits who are actually still alive.
We are more like duplicates, replications, or doppelgangers.**
We are born when a living person's soul, for some reason, splits into two or more forms.
The new spirit changes into living matter and becomes a completely separate and independent entity.
People with exceptional spirit power can intentionally replicate themselves,
but most cases involve a sudden life-threatening accident.
During the last moments of life, a person's desire to live can unintentionally create a replication.
Even though my heart was prepared

*note Elementaries are earth bound Spirits who are still somehow human (air sylphs water undines, fire salamanders, earth gnomes)

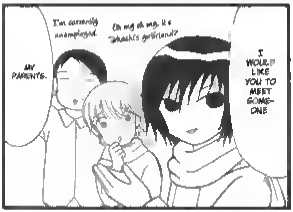
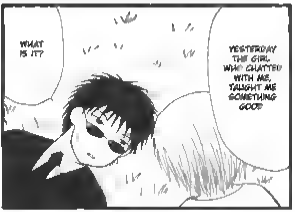
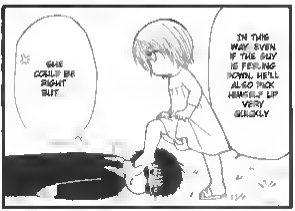
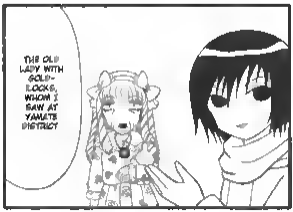
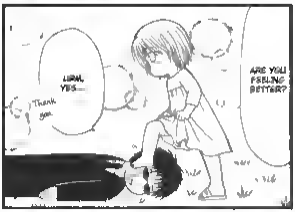
It could be this way! Part1



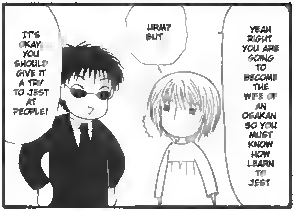




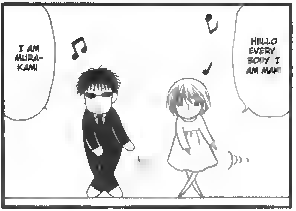


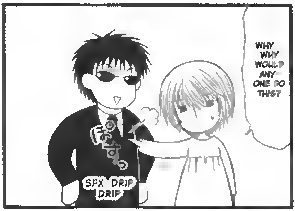


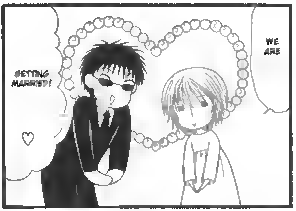
It could be this way! Part2

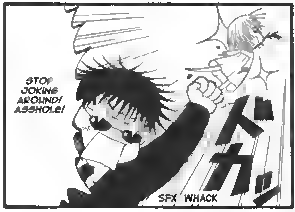


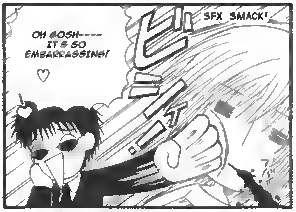
IT'S OKAY, YOU SHOULD GIVE IT A TRY TO JEST AT PEOPLE!
UHM? BUT
YEAH RIGHT YOU ARE GOING TO BECOME THE WIFE OF AN OSAKAN SO YOU MUST KNOW HOW LEARN TO JEST

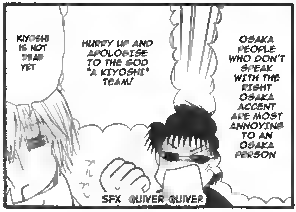




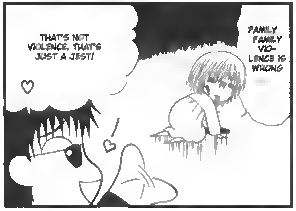


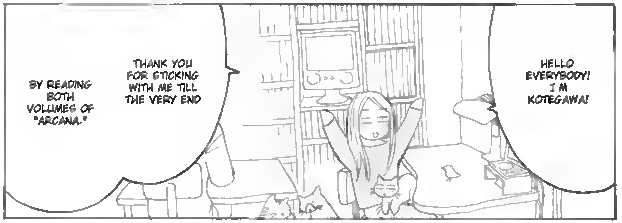




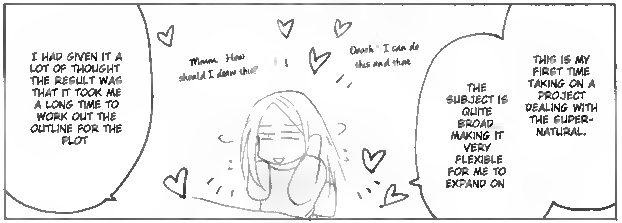


KIYOSHI IS NOT THAIR YET
HURRY UP AND APOLOBISE TO THE GOD "A KIYOSHI" TEAM!
OSAKA PEOPLE WHO DON'T SPEAK WITH THE RIGHT OSAKA ACCENT ARE MOST ANNOYING TO AN OSAKA PERSON
SFX QUIVER QUIVER

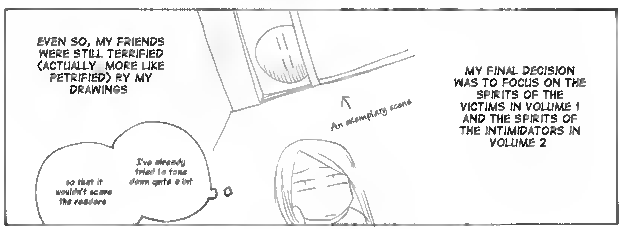




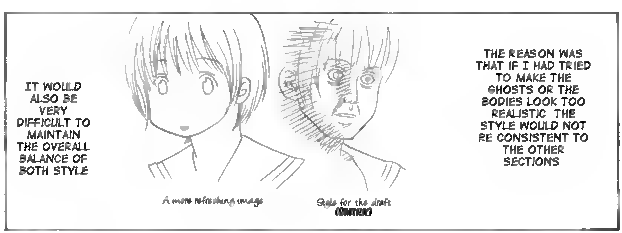
HELLO EVERYBODY! I'M KOTEGAWA!
THANK YOU FOR STICKING WITH ME 'TILL THE VERY END
BY READING BOTH VOLUMES OF "ARCANA."



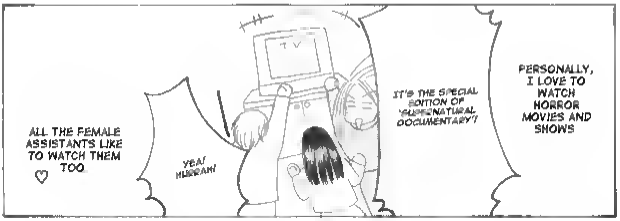
THIS IS MY FIRST TIME TAKING ON A PROJECT DEALING WITH THE SUPER-NATURAL.
THE SUBJECT IS QUITE BROAD MAKING IT VERY FLEXIBLE FOR ME TO EXPAND ON
Ooooh I can do this and that
Mmm. How should I draw this?
I HAD GIVEN IT A LOT OF THOUGHT THE RESULT WAS THAT IT TOOK ME A LONG TIME TO WORK OUT THE OUTLINE FOR THE PLOT



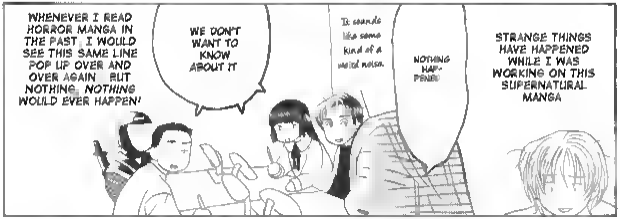
MY FINAL DECISION WAS TO FOCUS ON THE SPIRITS OF THE VICTIMS IN VOLUME 1 AND THE SPIRITS OF THE INTIMIDATORS IN VOLUME 2
An exemplary scene
I've already tried to tone down parts a lot
so that it wouldn't scare the readers
EVEN SO, MY FRIENDS WERE STILL TERRIFIED (ACTUALLY MORE LIKE PETRIFIED) BY MY DRAWINGS



THE REASON WAS THAT IF I HAD TRIED TO MAKE THE GHOSTS OR THE BODIES LOOK TOO REALISTIC THE STYLE WOULD NOT BE CONSISTENT TO THE OTHER SECTIONS
Skids for the draft
A more refined image
IT WOULD ALSO BE VERY DIFFICULT TO MAINTAIN THE OVERALL BALANCE OF BOTH STYLE



ALL THE FEMALE ASSISTANTS LIKE TO WATCH THEM TOO ♡
YEA! HURRAH!
TV
IT'S THE SPECIAL EDITION OF 'SUPERNATURAL DOCUMENTARY'!
PERSONALLY, I LOVE TO WATCH HORROR MOVIES AND SHOWS



WHENEVER I READ HORROR MANGA IN THE PAST, I WOULD SEE THIS SAME LINE POP UP OVER AND OVER AGAIN. BUT NOTHING...NOTHING WOULD EVER HAPPEN!
WE DON'T WANT TO KNOW ABOUT IT
It sounds like some kind of a weird noise.
NOTHING HAP-PENED
STRANGE THINGS HAVE HAPPENED WHILE I WAS WORKING ON THIS SUPERNATURAL MANGA

THIS STORY, WHICH CONTAINS ONLY 14 CHAPTERS, HAS ENDED WAY TOO SOON. NEVERTHELESS, I REALLY ENJOYED WORKING ON IT. A BIG THANK YOU TO ALL THE PERSONNEL INVOLVED IN THE MAKING OF THIS MANGA!

I'VE SET UP A WERSITE
E-MAIL
I SEND OUT A NEW YEAR'S E-CARD EVERY YEAR AS A REPLY, SO, PLEASE WAIT PATIENTLY FOR MY RESPONSE...

THE PERSON BEHIND YOU SAYS,

IF YOU'RE IN A BOOKSTORE, PLAY A PUN AND SAY

"IS THERE ARCANA HERE?"

(TRANSLATOR'S NOTE: THE JAPANESE PRONUNCIATION OF ARCANA IS THE SIMILAR TO THE WORD ARUCANA IN JAPANESE WHICH MEANS "IS THERE")

DID I SAY IT RIGHT?

-HELLO EVERYONE! I'M TAKAHASHI. I'VE BEEN HERE WITH EVERYONE IN ARCANA EVER SINCE THE THIRD CHAPTER
